EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. The amendment to the specification is to indicate that the parent application has issued as a Patent. The amendment to claim 1 is to eliminate an inadvertent typographical error. A superfluous "of" was put in claim 1.

The application has been amended as follows:

IN THE SPECIFICATION

On page 1, please replace the first paragraph under the heading "CROSS-REFERENCE TO RELATED APPLICATIONS" with the following:

This application is a continuation of pending U.S. Patent Application Serial No. 10/431,912, filed May 08, 2003, now U.S. Patent 6,929,409, which claims priority from United States Provisional Patent Application Serial No. 60/441,365, filed January 21, 2003, the entirety of all of which are incorporated herein by reference.

Art Unit: 2851

Amend Claim 1 as follows:

1. (Currently Amended) An assembly for supporting a battery and one of a camcorder [of] and a camera on a human body, the assembly comprising:

a first portion having a lower surface, an upper surface, a first end and a second end, the first portion adapted to physically engage the camera at a point proximal to the first end of the first portion;

a second portion having a lower surface, an upper surface, a first end and a second end, the second portion adapted to physically engage the battery at a point proximal to the first end of the second portion;

an articulation portion joining the second end of the first portion to the second end of the second portion so that an obtuse angle is formed between the lower surface of the first portion and the lower surface of the second portion;

a breastplate secured to the first portion and extending downward there from, the breastplate being selectively positionable along at least a partial length of the first portion.

Drawings

The drawings were received on June 8, 2007. These drawings are approved by the examiner
